

# Plan for fostering youth employment

2020-2023

We boost the youth talent of Barcelona to reactivate the competitiveness of our economy.

**4** fields of action

01

## Coaching and Guidance

We will strengthen the coaching and professional guidance of youths to access the labour market and improve professionally.

02

## Training

We will train young people in aspects such as digitalisation, languages and emerging economic sectors, as key elements for improving the employability of Barcelona.

03

## Promotion of hiring and entrepreneurship

We will promote employment and hiring as well as services and resources for starting up a business.

04

## Attention to young people in vulnerable and precarious situations

We will boost instruments and services aimed at reducing situations of greater vulnerability or socio-labour discrimination.
